Your Customised Employee Benefits Solution

Employees - Your company's best assets

In today's business environment, employers face the on-going challenge of competing to attract and retain good staff. A key consideration when designing an employee package is the provision of comprehensive healthcare and wellness benefits.

Comprehensive, Flexible and Customisable

Group Healthcare International, a comprehensive international medical and surgical insurance plan, is the ideal solution for discerning employers seeking premier protection for their employees. Designed specially for corporations, the benefits offered are flexible and highly customisable to meet your company's needs and budget.

You can tailor the cover according to your company's preferences. Employees and their covered dependents enjoy absolute freedom of choice for their treatment, doctors, surgeons and hospitals. Cover starts from as few as 5 employees, and can be extended to employees based abroad.

For large employee groups of 20 and more, the usual requirement of providing the medical histories of individual employees is waived and pre-existing conditions are covered 12 months after the policy commencement date or date of employee inclusion, subject to terms and conditions.

Frequently Asked Questions

1. Who is eligible for the cover?

A minimum group size of 5 or more full-time permanent and active employees, aged between 18 and 64 years. Coverage is renewable annually up to age 70 years. Dependents of employees can be included, provided they are insured under the same policy as the employee subject to the following conditions:

- a) Spouse of your employees, who at the policy commencement date or at renewal, is aged between 18 and 64 years, and renewable annually up to age 65 years.
- b) Unmarried or unemployed child(ren) of your employees aged 15 days to 18 years and extended to 21 years if they are in full time formal education.

2. Does the policy provide worldwide coverage?

Yes. Group Healthcare International coverage are worldwide for your employees' short business trips or holiday travel outside of their usual country of residence, up to 90 days each trip. For employees who travel frequently, please contact us on the 'Increase International Cover' benefit which can be included as part of the healthcare plan.

3. Does the policy cover surgical implants?

Yes, prosthesis, corrective devices and medical appliances which are surgically required are covered.

4. I need to relocate my employees to another country, will they be covered?

Yes, please inform us in writing on such changes. A geographical loading may apply depending on the country where your employee(s) will be relocated to. Their coverage will remain effective.

5. What is a pre-existing condition?

This refers to any injury, illness, condition or symptom:

- a) For which treatment, or medication, or advice, or diagnosis has been sought or received or was foreseeable prior to the commencement of cover for the insured person under the Policy, or
- b) Which presented signs or symptoms of which the insured person was aware or should reasonably have been aware or which originated or existed, prior to the commencement of cover for the insured person concerned.

6. Can the exclusion on pre-existing conditions be waived?

For small groups of up to 20 employees, premium rates are made more affordable by excluding cover for pre-existing conditions. The exclusion may be removed for groups of more than 20 employees, subject to our assessment and agreement.

7. What is not covered?

Pre-existing conditions, routine medical examinations, self-inflicted injury, suicide, injuries sustained during military service and hazardous sports are some of the exceptions. Please refer to the policy for more details.

Frequently Asked Questions

8. Is there a Waiting Period?

There is no waiting period for medical services resulting from illness or accidental causes. However, there is a waiting period under the optional Maternity Benefit. An insured member must be covered for at least 12 months under the Maternity Benefit prior to the date of delivery for benefits to apply.

9. How does the Payment Guarantee work?

The 24-hour MSIG Assist must first be contacted to obtain advance approval for any inpatient treatment at a hospital and for overseas emergency medical evacuation services. Relevant information will be obtained from the insured person and the attending doctor. MSIG Assist will assess and issue the payment guarantee and arrange direct settlement to the hospitals, doctors or other service providers. In the event MSIG Assist is not able to approve payment guarantee in time or decline the guarantee issuance, your employee will be notified to make payment before leaving the hospital.

10. Who decides if an emergency evacuation is needed?

The co-ordinating doctor acting through the 24-hour MSIG Assist center will determine if an emergency evacuation is required including the method and destination. Decisions are made on medical grounds by experienced medical assistance personnel.

11. How much does the insurance cost?

There are no published rates. To obtain a quotation please complete and return the Group Healthcare Fact Find Form. Premiums will depend on the type and level of benefits required, age and geographical location of your employee and your company's past claim records (if presently insured) or self-funded medical expenses.

12. Are the annual premiums fixed?

The premiums are fixed for a 12-month period and may be adjusted according to claim experience and inflation as necessary.

13. How do I obtain a quotation?

As the benefits and limits are customisable to your needs, we require a completed Group Healthcare Fact Find form to provide you or your insurance representative a quotation, typically within 3 working days.

14. What are the documents needed to make a claim?

You need to submit the completed claim form with the original hospital bills, receipts, medical certificates or medical reports for claim assessment.
